Artist Registration Form

Would you like to help us make a difference? We need people like you to donate for a special fund- raiser called ***The Safe Nest Project***, a charity auction featuring hand painted birdhouses. We are focusing on our local Artists by showcasing their creativity! *This fundraiser will benefit the three local shelters for the homeless: Coastal Women's Shelter - STAFF House and Religious Community Services.* We have started to take commitments from all our local artists to showcase their beautiful work: by constructing or purchasing a birdhouse, hand paint and donate it, for this worthy cause! **The birdhouse auction has been scheduled for August 11th. Donations will need to be brought to the office no later than July 30, 2016. Please return this form by July 1st,2016 to register.**

Thank you for your interest in this project. ***All Artists are welcome to submit birdhouses but, must be registered in advance by returning this form. Please feel free to copy it for your fellow Artisans!*** Please complete the following information and return to me, so I can add your information in our ***Artist spotlight*** in print & social media!
