

Domestic Violence Support Group

For Families & Friends of Victims and Survivors

Understanding the cycle, reasons for staying & ways to be supportive

Beginning in June, support groups will be held on the 1st and 3rd Wednesday of each month from 6pm-7pm. Due to limited seating and group safety and security, we ask that you call to RSVP no later than the Tuesday prior to the scheduled group. If your attendance is not confirmed, you will not be admitted to the group. Although we are partnering with local churches to provide safe spaces this activity, these groups, our agency and philosophy to domestic violence are not faith-based and are inclusive and respectful of all faith value systems. Our goal is simply to provide education, understanding and information about local resources for group participants to better assist their loved one living with domestic violence when they need it most.
